

2-WEEK STUDY ABROAD PROGRAMME

DISCOVER AND LEARN WHILE YOU TRAVEL

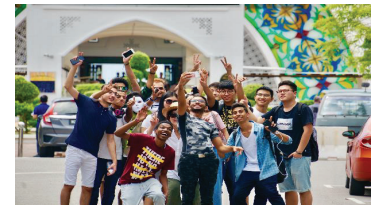

UCSI University's study abroad programme is a fantastic opportunity to travel, experience another culture and improve on your English proficiency in a shorter period of time than a full semester.

By combining English language classes with cultural and experiential activities, this study abroad programme offers students unique immersion into the Malaysian culture alongside students from all over the world. With excursions offered on weekends, students have the opportunity to discover the rich cultural and historical heritage of Malaysia!

Whether you're looking for an English language course, discovering Malaysia or simply want to experience another culture, your short-term experience with UCSI will surely have a lifelong impact.
